Hi there,

Six new Architect Registration Examination® (ARE®) [practice exams](#) that reflect the exam's updated case study format are now available! You can access both the new version of the practice exams and the existing practice exams through April 26, 2026. Beginning April 27, only the new version of the practice exams will be available.

Licensure candidates can access the practice exams through their [NCARB Record](#):

- ARE candidates with active eligibilities can access the new and current practice exams through the Practice Exam Dashboard on the "Exams" tab of their Record.
- For candidates without eligibilities, the "Practice the ARE" button is under "Quick Links"

[Learn more about how to access the new practice exams.](#)

## How to Access Practice Exams

Other customers, such as AXP supervisors and mentors, can also access [PDF versions](#) of both the new and the current practice exams for reference.
