EXPERIENCE AREA SPOTLIGHT

Construction & Evaluation

Construction & Evaluation focuses on the construction administration and post-construction phases of a project. In this experience area, candidates gain skillsets including being out on the job site, meeting with contractors, clients, and building officials—as well as how to punch lists, leading to the completion of your project. For more information about all experience areas, read the [AXP Guidelines](#).

NCARB NEWS FOR SUPERVISORS

[Setting AXP Candidate and Supervisor Expectations](#)

We created a guide to help you and your candidate navigate and establish expectations— use this to establish a plan for receiving and reviewing experience reports.
