Competency Survey

Take NCARB's Survey on Key Competencies for Architects »

What skills and knowledge (competencies) should architects have to earn and maintain a license? Share your insights in NCARB's Competency Survey by October 25—and be entered to win one of 10 $100 Visa gift cards.

Pathways to Practice »

NCARB is committed to developing a framework that allows multiple paths to licensure, recognizing the variety of educational and career paths that bring individuals into the architecture profession. In a statement last week, NCARB's Board of Directors encouraged all of the 55 U.S. architectural licensing boards to explore a "multiple paths/one goal" approach toward becoming an architect —read the statement from the Board of Directors.
