EXPERIENCE AREA SPOTLIGHT

Project Development & Documentation »

Project Development & Documentation covers the process after the schematic design phase of a project has been approved. Through this experience area, you'll focus on construction documents and coordinating with regulatory authorities to gain necessary approvals for construction.

FEATURED RESOURCE

AXP Guidelines »

The *AXP Guidelines* is your go-to resource when it comes to understanding the AXP's requirements, learning more about each experience area, and identifying key knowledge and skills.

AXP TIP

Set Expectations »

Working with your supervisor is an essential part of completing the AXP. If you haven't already, sit down with your supervisor and establish clear expectations for submitting experience reports, providing feedback, and more.
