Get back on track with NCARB's

AXP® Portfolio

It's never too late to earn an architecture license.

By submitting an online portfolio, experienced professionals can get one step closer to earning their license.

NCARB

AXP® Portfolio

Through the Architectural Experience Program® (AXP®) Portfolio, seasoned professionals can submit exhibits of work to fulfill the experience requirement for licensure. Along with meeting your jurisdiction's education and examination requirements, the AXP Portfolio will get you one step closer to becoming an architect.

To be eligible for the AXP Portfolio, you must:

1 Be able to document two years of applicable experience that is older than five years.

2 Have a current architect supervisor or mentor who can approve your portfolio.

To learn more about the type of experience that qualifies for the AXP Portfolio, visit **www.ncarb.org/AXPPortfolio**.
