#### [5 Key Takeaways About Online Proctoring](#)

Best prepare candidates for the ARE by exploring our high-level timeline regarding online proctoring updates and developments, including the [replacement of physical scratch paper with a digital whiteboard](#).

### Watch Now

#### [NCARB Live: ARE 5.0 and Online Proctoring](#)

Encourage your candidates to watch our latest webinar to get an overview of all upcoming ARE changes, plus hear our experts answer additional questions from the community.

### Supplemental Resources

To help candidates further understand and prepare for upcoming ARE appointments—whether online or on-site—NCARB has put together a list of recommended exam resources.

- [Guide to Online Proctoring and ARE 5.0](#): This user-friendly guide breaks down all online proctoring and exam-related changes to go into effect on December 14, 2020.
- **Updated [ARE 5.0 Guidelines](#)**: Effective in December 2020, this version of the guidelines reflects changes made for the launch of online proctoring, including requirements for your online testing environment.
- **Updated [ARE 5.0 Handbook](#)**: Effective in December 2020, this version of the handbook reflects changes made for the launch of online proctoring, including requirements for your online testing environment.
- [Online Proctoring FAQs](#): Find answers to common questions regarding online proctoring.
- [A Letter to ARE Candidates](#): NCARB's Board of Directors issued a letter to ARE candidates about the launch of online delivery, including a list of upcoming related changes and the decision-making process behind such changes.

Keep in mind, NCARB will continue to roll out additional information in the weeks ahead, including an updated demo exam—available in My NCARB—and updated ARE test prep videos.

To ensure your candidates are up-to-date with the latest ARE news, please make sure they are subscribed to receive our [ARE Update](#) emails.
