

WANT TO BE AN ARCHITECT?

The road to becoming an architect is less complicated than you think. Here are the basics:

EXAMINATION

By passing the Architect Registration Examination® (ARE®), you'll demonstrate proficiency in the skills needed to practice architecture.

LICENSURE

After you've met the requirements for experience, education, and examination, you can apply for a license. Now you're an architect!

EXPERIENCE

Once you graduate high school, you can start earning real-world experience through the Architectural Experience Program™ (AXP™).

CERTIFICATION

Having an NCARB Certificate facilitates licensure in multiple states.

EDUCATION

In most states, you'll need to earn a degree from a program accredited by the National Architectural Accrediting Board (NAAB).
