Policy for the ARE®:
Exam Candidate Conduct
Policy for the ARE: Exam Candidate Conduct
(Amended January 2019)

The following policy has been established by NCARB’s Board of Directors to provide procedures in the event of exam candidate misconduct while preparing for, taking or after taking the Architect Registration Examination® (ARE®). Exam candidate misconduct includes, but is not limited to, the particular violations described below, any other violation of ARE test center regulations, and any other misconduct, inappropriate behavior, or breach of examination security. The Board anticipates that these procedures will be applicable to most exam candidate misconduct. Nevertheless, the Board reserves the right to impose any sanction it believes appropriate, either more or less than those noted below. Action taken by the NCARB Board of Directors is final and non-appealable. In addition, if the individual subsequently seeks NCARB certification, the matter will be considered in deciding whether to grant NCARB certification.

The ARE is copyrighted and at the time each candidate takes the ARE, he or she also enters into the ARE Candidate Agreement affirming, among other things, not to copy or disclose any ARE questions or their content. Copying or disclosing of test questions or any other examination content is a violation of NCARB’s copyright and the ARE Candidate Agreement. In addition to the sanctions described below, where warranted, NCARB may pursue all legal remedies available to recover monetary damages caused by such conduct and to enjoin violations of its rights with respect to the ARE.

Upon discovery of any exam candidate misconduct in any category below, NCARB shall have the authority to place a ‘hold’ on pending scores and all open exam eligibilities to test and cancel any scheduled exam(s) pending further investigation, review by NCARB’s Professional Conduct Committee (PCC), and action by NCARB’s Board of Directors if applicable. If no action is taken or only a warning letter is issued, NCARB will reopen any closed eligibilities to test and assist the candidate in rescheduling the canceled exam(s) at no additional cost to the candidate.
