

Setting AXP Candidate Expectations

We know that as supervisors, you play a pivotal role in helping Architectural Experience Program® (AXP®) candidates complete the path to licensure, and your role encompasses far more than just reviewing and approving experience reports. We've developed a guide to help establish candidate expectations as you support them on their path to licensure.

EXPERIENCE AREA SPOTLIGHT

Project Development & Documentation

Project Development & Documentation focuses on projects after the schematic design has been approved. In this experience area, candidates gain experience preparing construction documents and coordinating with regulatory authorities to gain the necessary approvals for construction. For more information about all experience areas, read the [AXP Guidelines](#).

NCARB NEWS FOR SUPERVISORS

NCARB's New Score Validity Policy Is Here

NCARB's new score validity policy went into effect **on April 30, 2023**. The validity of passed exam divisions is now based on the version of the exam they were taken under (ARE 4.0, ARE 5.0, etc.).
